

# NEW INTERMODAL CONNECTION

## BAYONNE ↔ PARIS

In order to meet the growing demand for quality ecological transports, Ambrogio has decided to open a new intermodal line between Bayonne and Paris. This new destination allows to expand its intermodal offer in France, in addition to the one already existing to Lille. Thanks to this new connection, Ambrogio now serves the **Parisian area**, the **North of France** and the **Benelux** from **Aquitaine region**.
