

DOWNLOAD INSTRUCTIONS

«AMBROGIO TRACK & TRACE» MOBILE APP

The "**Ambrogio Track & Trace**" app is used by all the drivers who collaborate with Ambrogio in Europe and allows to track customer loads in real time. Here's how to download it to your device:

ANDROID:

- 1) Open the Play Store on your device
- 2) Look for "Ambrogio Track & Trace"
- 3) Click on "Install"

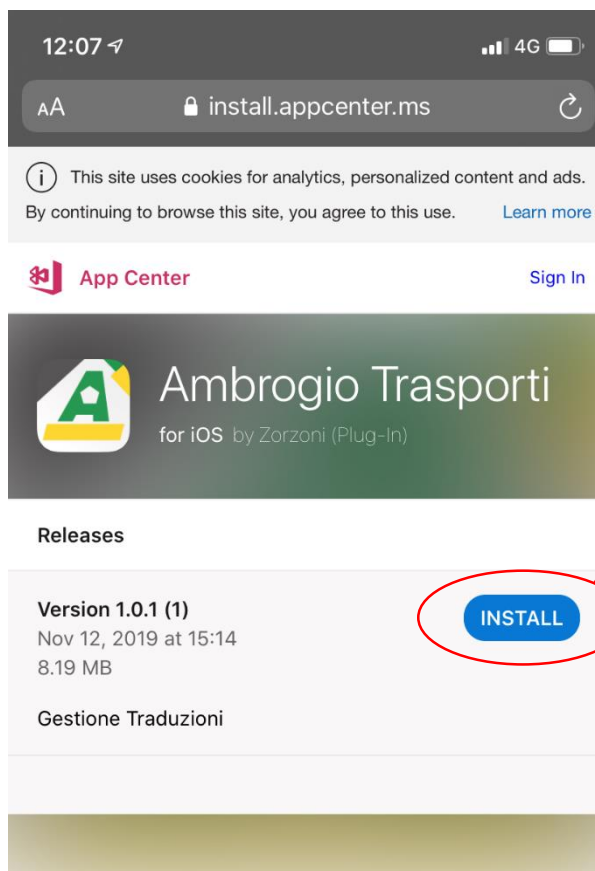

iOS (i-Phone):

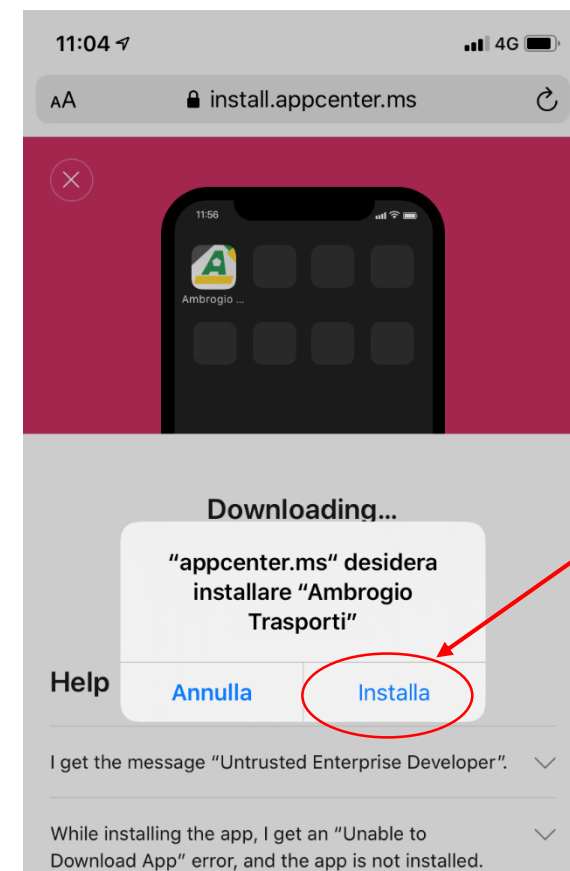

- 1) On your device, go to the website:

<http://ios.ambrogio.network/>

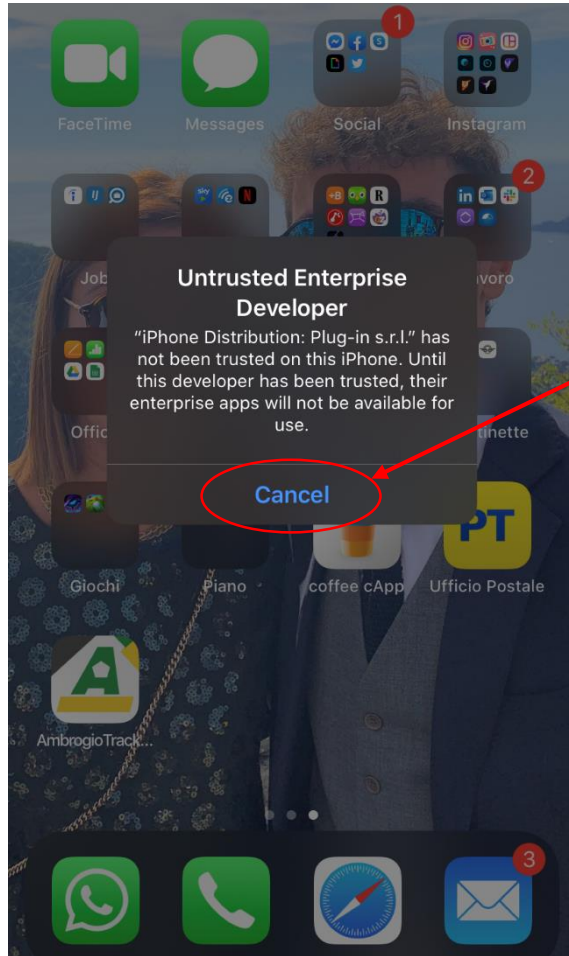

- 2) Click on "INSTALL"

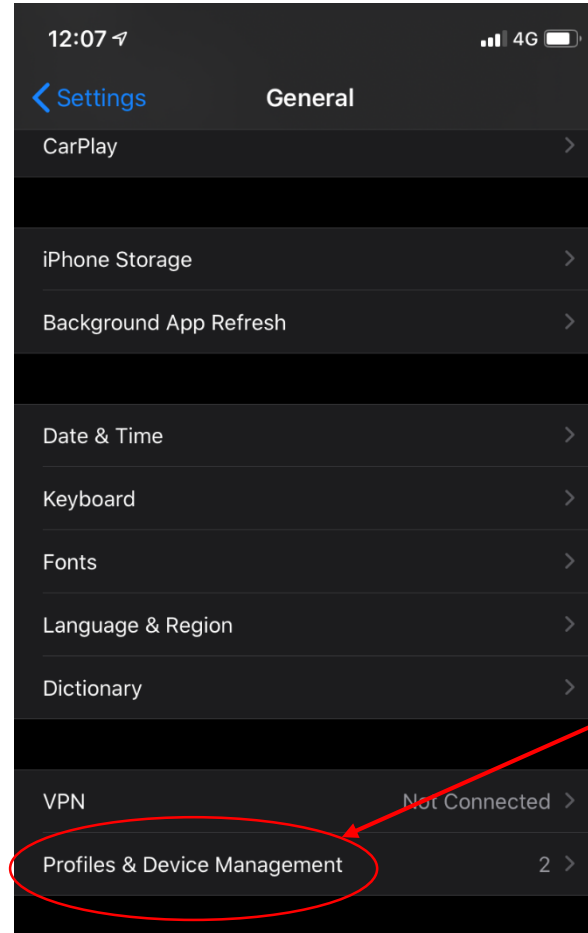

- 3) Click again on «Install» to confirm

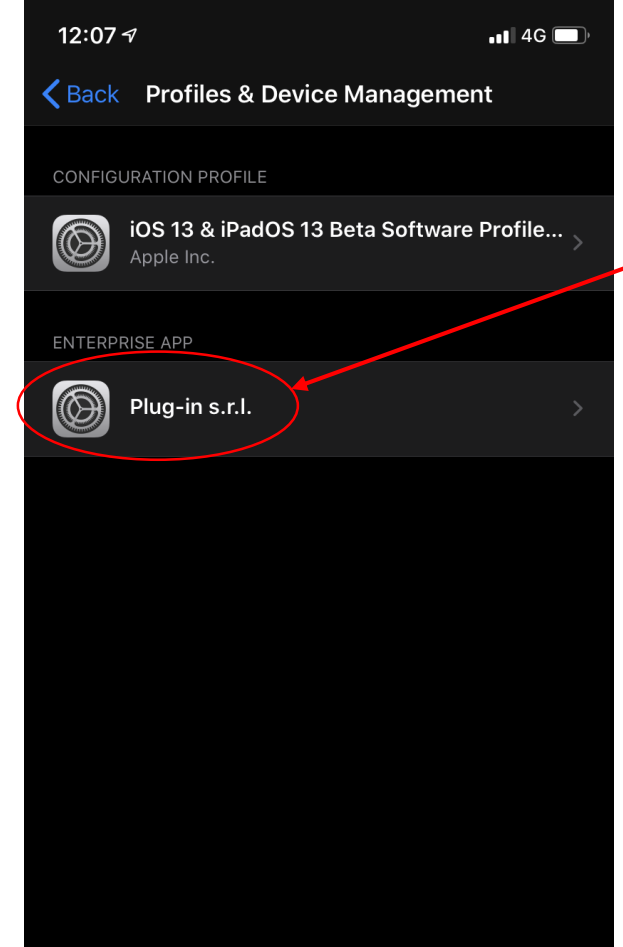

4) Click on "Cancel" on the message that will appear

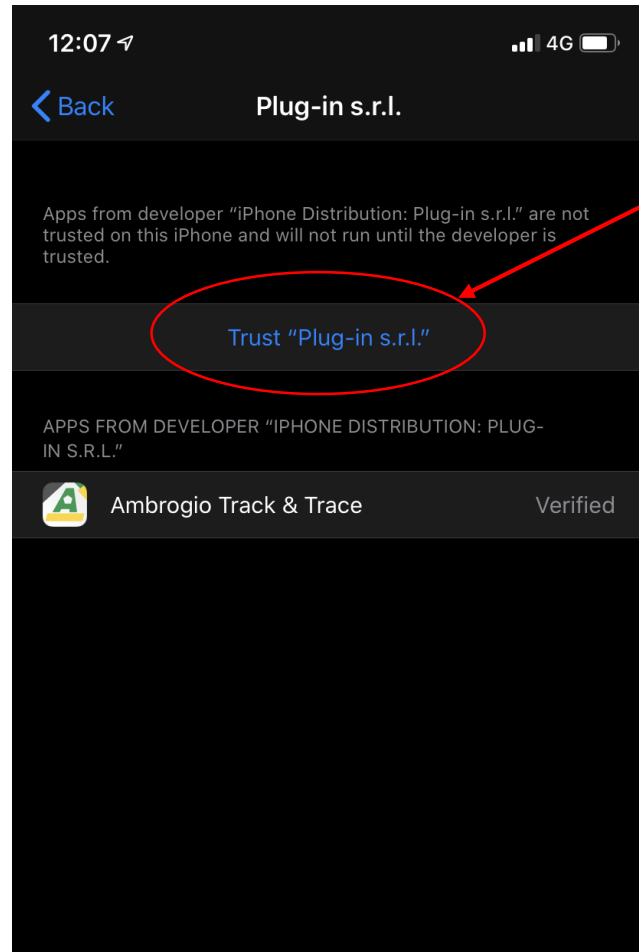

5) Open "Settings" on your device and click on "Profiles & Device Management"

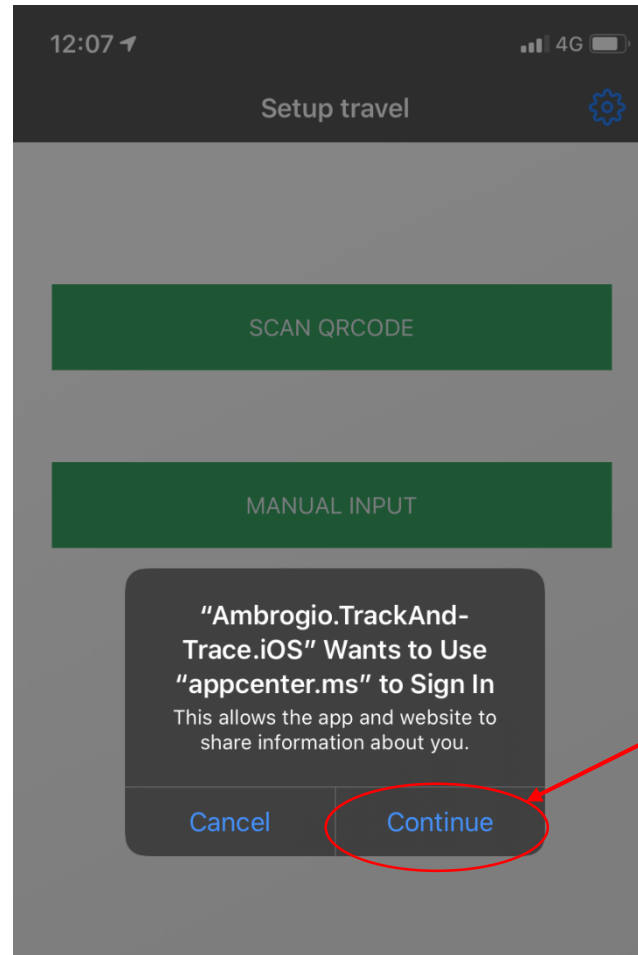

6) Click on "Plug-in s.r.l." on the screen

7) Click on "Trust Plug-in s.r.l."

8) Open the "Ambrogio Track & Trace" app and click on "Continue"

9) Click on "Allow While Using App"
