

# NEW INTERMODAL CONNECTION

## VERONA ↔ NEUSS

Ambrogio is now present on the Brenner route, with a new intermodal service between Verona and Neuss. This new destination allows to expand the regional scope and increase the transport capacity to and from **North Eastern Italy** to the **Ruhr area** (postal codes 4 and 5) and to **Eastern Netherlands** and **Belgium**. Starting with 2 trains per week and direction, frequency will be increased step by step. This new connection integrates the existing Ambrogio network, enabling flexible solutions and a high quality service for our customers.
